

Before and After School Clubs

The breakfast club...This group will be run by Angeline in the Orana room, under the auspices of the school, starting from 7.30am. Children will be provided with cereal and/or toast for breakfast, and lots of healthy fruit. They will then be looked after until 8.45am when the yard duty teacher comes on duty. Angeline may go outside with them from about 8.30am.

Cost: \$5 per session

The Homework and Activities club.....This group will run from the Orana room after school, and children can be picked up at any time up to 5.30pm. Children will have a snack, and then spend half an hour doing their homework for the night. Older children may need to spend more than half an hour doing homework. After homework time, the children will do fun activities until they are picked up.

Cost: \$6 per session

These are not for profit clubs, and are not eligible for the childcare rebate from Centrelink. The school will be subsidising the cost of these clubs.

If you are busy, why not reduce the load so you can spend quality time with your children when they get home? They will be safe, happy, well cared for and with their friends.

You can book your child in regularly, or send them along on a casual basis.

Fill in the permission form attached and return it to the school to enable your child to attend.

Phone 9703 1187 for further information, and ask about the before and after school clubs program.
